MAKERS FAIR 2025

PROPOSAL SUBMISSION APPLICATION

PROJECT DESCRIPTION

Project description: (Maximum word count: 500)

Describe the process and implementation methodology, focusing especially on construction methods and equipment use. Please give your project a title and clearly mention the types of equipment/materials used.

Activity impact: (Maximum word count: 500)

Describe the social and technological impact of your project, emphasizing its connection to Youth Makerspace Larnaka and its promotion of maker culture, technology, research and innovation, the STEAM sector, digital skills, etc. Also, if applicable, mention what problem your construction/prototype solves.

Visual Material:

Attach 2–5 photos/sketches/diagrams related to the project you wish to present.

Maker/Team Member Description: (Maximum word count: 250 per person)

Attach a short bio for each maker who wishes to participate. Also, mention, if available, a website or Instagram profile showcasing your work.
